Happy New Year! As we begin this new year and decade, we wanted to take a look at all the Lord has done from 2010-2019.

Below you can see the churches planted annually and cumulatively throughout the last decade. We are delighted to report that by the end of 2019, a total of 2,017 churches were established. By measuring the number of churches planted, we can see the spiritual impact among unreached peoples. Each new church plant represents a new point of Gospel access among the 71 unreached people groups engaged by our team.

As 2020 begins, we set our eyes on what is next. Over the upcoming months we will be sharing more information on our new ministry phase called Mission Impact, where we seek to plant 4,000 brand new multiplying churches by 2024. We would like for you to prayerfully consider continuing with us on this journey to provide Gospel access to over 7,000 unreached people groups. Can we count on you?

"Now to him who is able to do far more abundantly than all that we ask or think, according to the power at work within us, to him be glory in the church and in Christ Jesus throughout all generations, forever and ever. Amen."
Ephesians 3:20-21
